

Angielska Liga Zadaniowa

Hello, and welcome to the new English tasks!

In September most of the groups revised vocabulary and learned how to work with dictionaries. Now you can show off. You shouldn't have any problems with the exercises. Just print it, do carefully and give it to your English teacher until 7th November. You have to collect points during the whole semester, and then you may get "6". 😊

Why not to try?

We wish you good luck!
